CLUB NOTES

We are happy, once again to welcome Gloucester to Coundon and look forward to another rousing game of rugger. Gloucester rely mainly as we do, on local players coming to them from the schools and no doubt, many of today's players first met in inter-town schoolboy games.

We must congratulate our team on their grand performance at Bedford last Saturday. In the writer's opinion, it was their best display of the season up to now. The forwards particularly, put up a magnificent show and it was most unfortunate for newcomer, David Naylor to damage his shoulder, at a time when he is staking his claim for a regular first fifteen place.

As you will all notice the Club has purchased a large amount of straw to cover the ground in the event of frost and so try and keep the pitch playable. If the straw is laid on, the Club will need all the help it can get, to uncover before the game and to cover up again after. Please keep your eye on the Coventry Evening

Telegraph for the notice that the covering up has been done and then turn up about 11 a.m. on the day of the game to help. Don't leave it to the other chap, do come along and help.

Please be careful with your cigarette ends and lighted matches, as we would hate to see the straw go up in smoke.

Our members and supporters must consider themselves very fortunate in the arrangements made for them to travel to away games. In addition to the arrangements made for them to travel to away games. In addition to the four outings announced in the Supporters' notes today, we have been asked by British Railways to give particulars of a trip to Cardiff on March 18th. A half-day excursion will be run - tentative times being - leave Coventry at 10 a.m. due Cardiff 1-38 p.m., return Cardiff 5-32 p.m. due Coventry 9-15 p.m.

The fare will be 17/-.
