NOTES.—We extend a hearty welcome to Gloucester, and recall with pleasure the grand game witnessed last season when our famous guests visited our enclosure. We anticipate another rousing match this evening, and hope it will be possible to make the fixture an annual one. All connected with this club join in congratulating John Hodge on having been commissioned in the Royal Artillery, and extend best wishes for the future. This being the last home fixture for 1949/50, thanks are accorded our President, Vice-Presidents, playing members, the Ladies' Section, supporters, and everyone for their contribution to an enjoyable and successful season.
