NOTES

Gloucester have won the last four games played as follows: 1946/47 (h. 21-0), 1947/48 (a. 32-13), 1948/49 (h. 22-3), 1949/50 (a. 8-3). The 1947/48 game was a fine display of open rugby by both teams and last year Blackheath put up a strong resistance. Their side this year has begun well, and reports rate them as the best "The Club" has had for some seasons and a team which is expected to revive past glories of the famous old Club.

Gloucester have their injured forwards R. Parry and G. Hudson back and D. Humphris gets a further trial at scrum-half.

Continue your support of the **Gloucester Rugby Memorial Fund** by purchasing these programmes at all matches.

The Committee would be grateful to Members if they would have their Season Tickets ready when entering the ground, and also, where applicable, when entering the enclosure or stand. They would also be grateful if other spectators would have their Enclosure and Stand Tickets ready for production at the entrances to these places.
