## NOTES

The fixture with Exeter is an annual one, alternately home and away. The 1946/7 game was a memorable one in which Gloucester won 12—6. The 1948/9 game had to be cancelled as the ground was required for a County game.

Gloucester's team includes the County players absent last week. Exeter's record to date is an even one—P 8, W 4, L 4, Points 63—63.

The County Team v. Somerset is unchanged from those playing against Dorset and Wilts, but on Saturday next they face a sterner test at Kingsholm. Somerset's win in Cornwall is an indication of their strength, and places them in a strong position in the County Championship Table. They will no doubt be all out to consolidate that position next week.

Members are hereby notified that if requiring Stand Tickets for this season's International Matches, they must apply to Mr. A. Hudson, Northgate Street, Gloucester, not later than **NOVEMBER 20th**. The Tickets are 15/- each, and members must send remittance with application. The matches are Feb. 24th—England v. France. March 17th—England v. Scotland.

### Points on the Laws of Rugby Union Football.

#### 2. Charging at Goal Kicks—

(a) **Penalties.** There is no charge and the offending side must retire at least 10 yards and remain stationary. The kicker may touch the ball again after placing it (e.g. if it rolls over).

(b) **Conversion Attempts.** A charge is allowed **after** the ball is grounded. After the ball has once made contact with the ground, the kicker cannot again handle it, even if "no charge" is given.

Your continued support for the **Gloucester Rugby Memorial Fund** is requested, by purchase of programmes at all matches.
