Devon R.F.U. Notes

THE followers of Rugby in Devon will to-day extend a hearty welcome to the Gloucestershire XV. The meetings between these two counties have always produced excellent games.

The County Championship games in the S.W. are now in full swing and to-day's result will have a big bearing on the ultimate championship of the S.W. Both sides have played 2 matches and won both, but Gloucester's opponents included Somerset, whereas Devon's opponents were Berkshire and Dorset & Wilts the babies of the competition.

Devon's remaining matches are both away and against keen opposition, for Cornwall will be met at Falmouth on November 25th, and Somerset at Weston-Super-Mare on December 9th.

The Captains of the teams are both Internationals and Gloucester also have Internationals in J. A. Gregory and A. G. Hudson.

SCORE BOARD.

To-day we use for the first time the New Score Board which has been given to the Club and Ground and equipped by the Exeter Rugby Supporters' Club. The Exeter Rugby Football Club sends a big-hearted "Thank you" to the Supporters' Club. We hope the public will appreciate their efforts as we do, and join up (subscription 2/6), thus enabling them to carry on their good work on behalf of the E.R.F.C. and Rugby Football.
