SWANSEA RUGBY FOOTBALL CLUB

WELCOME TO GLOUCESTER.

Today we welcome Gloucester on one of their rare visits to St. Helens. Our Clubs now meet only once a season, and this year it is Gloucester's turn to visit us. It is with particular pleasure that we welcome Gloucester today for their vice-captain is Vivian Davies, son of Selector Trevor Davies, and Viv. needs no re-introduction to the Swansea club for whom he so frequently played when a student at Swansea University. I am sure Viv. is as popular in Gloucester as he was with the Swansea Club. The visit of Gloucester will also revive a few memories for Selector Glynn Thomas, who at one time played centre threequarter for them. Perhaps the most famous link of all between the Gloucester and Swansea club is the great D. R. Gent, Swansea-born, who played for them at inside-half and became an English international.
