"PIRATES" SUPPORTERS' NOTES

Today we welcome Gloucester again on the Mennaye Field and we wish them an enjoyable visit to Cornwall.

The Pirates are being helped by four players from St. Ives, H. Oliver, H. Stevens, A. Bone, and J. Bailey, we greatly appreciate their offer to complete our team for to-night's game, and thus save the players who may be playing at Twickenham in the Seven-a-sides on Saturday.

The Pirates were accompanied by a guest player, Samuels from St. Luke's College on Saturday when they played Barnstaple, unfortunately he dislocated a shoulder about 10 minutes play and had to go off the field. The remaining fourteen men played well to hold Barnstaple to 9 points. The Scottish international, Dalgrish was always dangerous, he scored one try and was the originator of another.
