OUR VISITORS

The Stroud Club extends a hearty welcome to our friends from Gloucester and hope they will enjoy their game on the new pitch at Fromehall Park.

We congratulate them on celebrating their Diamond Jubilee of tenure on the famous Kingsholm ground.

It is very pleasing that they should be the first team to use our new Clubroom and changing quarters.

RULE OF THE WEEK

The players of each front row shall bind together firmly and continuously while the ball is in the scrummage. The middle player shall so bind with both arms over and around the backs and below the shoulders of the players on either side of him, and the outside players shall bind in like manner.
