NOTES

The games with Cheltenham have produced close struggles in recent years and last season Cheltenham drew at Gloucester (0-0) and won at home (3-0). Gloucester won at Cheltenham early this season (6-3).

The latest state of the struggle between the 1st XV and the United reads
 1st XV Won 23 Points Scored 463
 United Won 24 Points Scored 466

Including a game with the North Glos. Combination the United have three more games while the 1st XV have eight.

The weather again affected the attendance last Saturday, but those who braved the elements, saw a bright open game after the weather had cleared.

The United's performances against Worcester (who have beaten Lydney this season) must have been a surprise to them for it has been a long time since a side scored more than 20 against them or scored 14 at Worcester. In Ivor Jones' absence, Wally Burrows, who has been the mainspring of the side, led his team to victory.

The GLOUCESTER RUGBY MEMORIAL FUND still solicits your support by purchase of these programmes at all matches.
