Official Programme

3d.

Club News

TO-DAY we conclude our home games with a visit of our friends from Gloucester, whom we are pleased to see on the County Ground once again. They are going on to Penzance after the game for a short tour and we wish them as happy a time as we had last week-end in South Wales.

We had two grand games with the Bridgend and Aberavon Clubs and the side was given a grand reception by the Supporters of both sides. It was a week-end we who accompanied the team will remember for a long time. We were all delighted to see the grand game played by Dick Manley on both occasions. We missed Gerry Brown and Jack Hilton but their deputies did not let the side down.

ANNUAL DINNER.

Tickets for this are going very quickly and there are only a few left for disposal. We are to be honoured by a visit from the President of the Rugby Union, Mr. Harry Cleaver, of Nuneaton.

Will persons who have received the official invitation please let Mr. Roebuck know, immediately after this game, if they intend to be present on the evening of Wednesday, May 7th, at the Imperial Hotel.

This is my final notes for this season. We want to thank all who have supported the sale of programmes, the sellers who have done their job in all weathers, the players for giving us all some really first class exhibitions and for their loyalty to the Club, and finally to the Ladies of the Supporters' Club who have provided the visitors and our side with teas after each game, a gesture which we all appreciate and which draws many thanks from our visiting sides.

Cheerio till September when we start again.

T.W.R.

Supporters' Club Jottings

Once again we say "Au Revoir" at the end of another good season, to all our friends who have supported us. We feel we have again helped our "Parent" Club very fully, by handing over £50 to the Memorial Club, by the Sale of Programmes for the County Match which realised £48 and by the profit of £27 which we were able to make and so augment the amount which our "Parent" Club handed over in connection with the Cathedral Preservation Fund match. A big "Thank You" is due and is extended to programme sellers, particularly Tommy Atkins.

Our Ladies' Tea Committee has again functioned with its usual efficiency and has helped in no small way in maintaining the friendly relations between our own and visiting teams. Well done the Ladies.

To our Team we say "Thank You" for all the good football they have supplied us with, despite many vicissitudes. Well done "Jack" and all the loyal players who have assisted you.

"SCRIBBLER."

Programme

EXETER v GLOUCESTER
