GROCCRS
WINE AND SPIRIT
MERCHANTS

We welcome Gloucester this evening. This is the last programme of the season so all appeals must go out now.

First there is an appeal for the Stand, this can be given, lent free of interest or lent with interest of 3%.

Already £800 has had to be paid as a deposit and much of the remaining £3,000 must be available by the beginning of June.

The officials and Committee of the Penzance and Newlyn R.F.C. thank all those who have subscribed and will those who intend to help, do so quickly please.

It will be more comfortable sitting in the stand on a wet day and our lady supporters will enjoy the game much more if they can rest their feet.

Second there is the Garden Fête on June 28th, on the Mennaye Field. We are asking for gifts for the stalls and for prizes and from our farmer supporters, gifts of produce, fowls, eggs, pigs or any live stock, will be useful.

Then on Saturday, 28th June, we hope to welcome many people and may they find lots of attractive articles to take home.

Will anyone who can help with gifts, please send them to the Organising Secretary, Mrs. Porritt, Finsbury, Alexandra Place, Penzance, or to any member of the Committee.

During June and July both clubs will hold their Annual Meetings at which new Committee Members will be elected, watch for details on posters.

At this final game we thank the players, of all teams, for their sportsmanship, we hope they have enjoyed playing as much as their supporters have watching. We applaud the tenacity of our supporters, at times they criticize but they always come back for more.

The Chiefs won their last two games, defeating Bridgewater 14—6 and Pontypridd 6—3. These games were tough and on Saturday the ground was hard too.

Henry Care is being married on Wednesday morning and he has our best wishes.

The Reserves had no game this week but they have had their most successful season.

Mount's Bay defeated St. Ives O.B. on Saturday 26—13 thus ending their season on a winning note.

Unfortunately W. Roberts fractured a collar bone and we hope this will mend quickly.
