CLUB NOTES.

What weather ! After frost, snow and fog, the First XV. is at home again. They have been lucky ! London Welsh cancelled and last Saturday without a match. The Extra 1sts. XV. had one Saturday without a match and two games cancelled.

We managed to play the Blackheath match with the help of the 'straw brigade', and our thanks are due to the boys and members of the Extra First team. Our win in a blinding snow-storm was very creditable.

We welcome Gloucester today, always a difficult nut to crack, but we are sure to see and enjoy a grand open game, especially if the conditions are favourable.

Our sympathies go to Ian Campbell whose injury received in last week's county match will keep him out of the Scottish Trial today.

Congratulations to Stan Adkins and Derrick Ashcroft who are both in the English Trial at Exeter. May they both go into the England team.
