NOTES

To-night sees the end of the Season and it is certainly fitting that our opponents should be one of the strongest sides which we play, and one who can be depended on to give a fine exhibition. We extend a very hearty welcome to our friends from Gloucester.

This Season must certainly have given satisfaction to the Club and its supporters—all teams have good records and the future augurs well with some excellent young talent in the United and a strong Colts XV. What an improvement there has been in the standard of play throughout the Club during the season. Weston Rugby is worthy of much better support than it is getting—please do all you can to encourage this for next season. Voluntary workers do yeoman work and how much more enjoyable this would be for them if their efforts could be on behalf of very many more supporters. We all owe a very big "Thank you" to the Ladies of the Social section who have worked so hard and so effectively, and to those ruddy faced males who have enjoyed themselves behind the bar !!

Last, but by no means least, we thank YOU for the valued support you have given us throughout the Season and may I, on behalf of you, say thank you to the players for the grand exhibitions they have given?
