Last Saturday, Taunton defeated Paignton 5 pts to nil, in a game which considering the adverse weather conditions, remained open throughout.

Today we extend a warm welcome to **Gloucester**, who are newcomers to Priory Park. We hope that this visit may be the first of many encounters between the two Clubs. We wish that this, the last game at Priory Park this Season will be remembered by players and spectators alike.

On Thursday the players are holding a **Bumper Tombola** to wind up the Season. Come along and try to win one of the special prizes for this event.

Saturday sees the departure of the Club Party to Link-Town **Lisieux**, in France. We wish them all success, and hope that when they return on 6th May they will bring back the Paris-Normandie Cup.

Tonight the St. John Ambulance Brigade, whose members attend all home games, are taking a well earned collection. Please give generously to this most worthy volunteer organisation.
