At the time of writing these notes the Boxing Day result will not be to hand but inasmuch as a record has been created by the Club winning ten consecutive matches the Boxing Day result will not affect this record.

We welcome to day our visitors the University Athletic Union. A team which puts up a stout performance and our 'boys' will have to give of their very best to overcome this sporting side.

Your Committee have decided if possible to continue with the same team which has established this record, that is unless any of the players have been injured on Boxing Day.

Although Christmas is now over, The President, Chairman, Officers, Committee and Players wish our many supporters all the Very Best for the New Year and trust you will give full measure of support to the team which is producing such outstanding Rugby.
