NOTES

It is with very great sorrow that we record in this programme the loss of Steve Davies during the summer from drowning. Typical of Steve he gave his life in a gallant attempt to save the life of another.

When Steve neared the end of his playing career he took over the United for two seasons and through his experience and leadership was a great example and encouragement to the younger players. He desired to put back into the game a little in return for the pleasure and honour he had received in his playing days. For the last ten years he had been an outstanding committee man of both club and county.

We are sure that all members and supporters of Rugby Football would wish to join with us in extending our sympathy to Mrs. Davies and her two children for their great loss. It may be of some comfort for them to know that no finer sportsman has ever served the Club both as player or committeeman and that his name will live on as an inspiration to others both in his life and in his death.

We welcome today our friends from Waterloo who are taking an early tour. This side usually play delightful open rugby and will not keep the game close, therefore we should witness a really first class game. They bring with them two internationals and four Lancashire county players.

On a much happier note we must congratulate Tom Voyce wholeheartedly on his great honour in being elected President of the Rugby Union. Tom as he is so generally known as thus brought great credit to the county, our club, and himself, and we do most sincerely wish him the very best possible success during his year of office. His election is just, a fitting reward for all the services he has given to rugby.

Fixtures. Will all interested please make an adjustment to the fixture list as follows. Owing to the visit of the South African rugby team to Leicester to play the East Midlands, Leicester will be visiting Gloucester on Saturday, November 5th, and Gloucester will travel to Leicester on January 14th.
