## CLUB NOTES.

The advent of county football in every season always makes a mark on "rugger" and our game today suffers as Gloucester are depleted having players in the Gloucestershire side today. Gloucester are strong in reserve strength and the side they field today will prove a very tough nut to crack.

Last Saturday despite a breakdown on the M1 and its attendant upsets, our First XV had a good win at St. Mary's and we hope they will serve up the same type of football today.

On December 3rd the first England trial Probables v. Possibles will take place on this ground. The match will be an "all ticket affair and prices will be :-

Stand 10/- Reserved.

Enclosure 7/6.
