## NOTES

We welcome as our visitors to day our friends from Cambridge and this should be one of the most attractive matches played this season.

They have a splendid record having played 18 matches—Won 15 Lost 3. Points scored 265 against 104. It will be seen therefore that our boys will have to be on their best behaviour to overcome this strong opposition.

The very fine standard of play which was produced on Thursday against the Army should mean a first class game of Rugby and it is hoped that a large number of spectators will be at Kingsholm to witness what might be a “Classic.”

What a pity we did not get the better of the Wasps last week nevertheless this was another case of so near and yet so far. It is certain however we are not getting the best of luck this Season but who knows it may turn in time for the following important games.
