## NOTES

Today's visitors from Gloucester are perhaps not so well-known at Stradey as some of our nearer friends in South Wales, but they may rest assured of a sincere welcome. There is, perhaps, a tendency for Stradey to give a friendlier reception to visitors from over the border than to those already West of it—courtesy to the underprivileged, maybe! Anyway, good luck to the Gloucester lads; we hope they enjoy their visit as much as we will enjoy having them.
