NOTES

AFTER being away for the past two weeks in Wales and having to play second fiddle to Llanely and Neath we now try conclusions with Newport and a reproduction of the form displayed against Bristol should result in a win for Gloucester. Our visitors come here with the following record : Played 10, Won 7, Lost 3, Points for 134, against 54. This compares with our own record, viz.: Played 9, Won 5, Drawn 1, Lost 3, Points for 131, against 55. The records therefore are somewhat identical and the usual first class game between these sides is anticipated.

Next week we travel to Coventry and is anticipated we shall play with a number of the regular side absent through County calls. Nevertheless in spite of this our boys will endeavour to bring off one of their surprises inasmuch as they have more than once risen to the occasion under similar circumstances.

Will you please take note of the forthcoming events with particular reference to the International matches as under.
