#### NOTES

Near neighbours, and lively opponents, Cheltenham are our guests tonight and we welcome them. It seems that Cheltenham are in the process of re-building and we may expect some fireworks tonight. Cheltenham have now been running their Colts' side for two years and it will not be long before we see the effect in the play of their senior side. Incidentally supporters will be interested to know that our own venture into Colts' Rugby is being well supported. A trial game was held last night and Roy Sutton (Chairman of the Colts' Committee) was pleased with the efforts of our younger string.

Our first side although failing by the odd point against Lydney are determined to show you the kind of Rugby which they produced in their first game against the Festival XV at Torquay. We wish them a

good run of the ball tonight.

On Saturday we are at home to Moseley. Always a good fixture, make sure you don't miss it!

#### SOCIAL CLUB

We would ask for your attention for a moment to say a word about the Social Club.

You will see posted up in various parts of the ground, notices explaining the new arrangements for membership, permitted hours, etc., that the Committee have been compelled to make arising from the new Licensing Act of 1961.

We are sorry to have to impose some restrictions but this Club like

every other Club must conform to the law.

We do not think that the new arrangements will cause much inconvenience but we do ask you to study the notices and to acquaint your selves with the new rules.

All Season Ticket holders (except Dean's Walk) are automatically members of the Social Club. Non season ticket holders may, of course, join on payment of the annual fee of 2/6d. and are warmly invited to do so.

#### THANK YOU
