## NOTES

It must be with some special feeling that we greet our welcome visitors, Moseley, to-day. For both clubs were founded in the same year, 1873, obviously a vintage year for Rugger Clubs. Moseley are always a special attraction at Kingsholm for they are a side which epitomizes that special virtue of Rugby—team spirit. The Moseley XV rarely boasts of any stars—for players of star quality and many have played in the noble Red and Black, are moulded into the team and their talents contribute to the all round quality of play.

We may well expect our own side to have now shaken down. Talent there is in plenty in this year's Cherry and Whites, but the right blend is always a difficult one and a matter of trial and error. So let's give our lads every support so that they will be able to produce their true form.
