NOTES

It is always a great pleasure to welcome opponents from the other side of the Severn and we are delighted to receive Neath to-day. The Rugby will be good and the game hard, we know, and we are looking forward to it. After a game such as that against Bedford last Saturday our lads are eager to test themselves against a Welsh side.

There is no doubt that our team has settled down and is now welding a tremendous team spirit. This spirit has developed as a result, to a large extent, of the enthusiastic support the team has received. Well done supporters! Keep it up today—even if sometimes everything does not turn out as expected.
