"THE MEN OF GLOUCESTER"

This afternoon we extend a very warm welcome to our friends from over the border. Gloucester in past years have produced many talented players. Today they travel to Pontypool in winning vein, their record to date is, won five, lost 2, drawn 1. All things being equal, a very entertaining game should be seen this afternoon. Last season Pontypool put up a spirited display when they beat Gloucester by 19 pts. to 6 pts. in "the park", the return match at Kingsholm in December being cancelled.

OURSELVES

Last Saturday at Llanelly our team strove hard in a game of sound rugby, there was plenty of elusive running and handling by both sets of backs. Outstanding in both teams were full-backs Ray Cheney and T. E. Williams whose displays were of the highest quality, both will stake a claim for the Welsh team.

We extend a very hearty welcome to the two newcomers Peter Jones and W. Morris, the latter scoring a try in the three matches played. We hope their stay in the team will be long and successful.

Next Wednesday all Pontypool will be taking the footpath over Newport bridge to Rodney Parade expecting a good open game and hoping for the first "double" of the season.

Yours in Sport, Hilton Jones
