Important Announcement . .

The Committee is anxious to establish a closer relationship between players and members, supporters and the Committee than exists at present. All share a common interest in Rugby Football and it is with the object of furthering the interests of Rugby in Gloucester that your co-operation is sought. It is felt that one way to achieve this closer relationship is by the building of more up-to-date and larger Club Rooms.

To this end the Committee has decided to explore the possibilities of running a Shilling Weekly Pool. If only half the members and supporters would undertake to bring in £1 per week, i.e., 20 Pool entries at 1/- per week, then our new facilities would quickly become a reality.

In addition to the obtaining of subscribers a good deal of administrative work would be necessary, and if you are prepared to assist the Club in this way in the running of a Weekly Pool, please fill in the enclosed slip and hand it to the Club's representatives who will be at the gates at the end of the game.

Please help us to provide proper facilities. We cannot do it without your help and support. Complete the form NOW as it is on your response to-day that the probability of success will be based.

● *This announcement is repeated because the response last week was not encouraging.*
