It is a great pleasure to welcome back our old friends, the Royal Air Force. Many of us had the pleasant experience of seeing their game against Cambridge University. If to-day's game follows the same pattern then we are in for a feast of good rugby. Both sides have the potential for pursuing, successfully, the handling game, let us hope that the opportunity for doing so presents itself. The re-organisation of our own back division continues and it may well be that the right formula has now been obtained.

THANKS !

The Committee would like to thank all those who indicated their willingness to assist the Club as a result of the appeal made in the programmes during the past two weeks. This will form a guide as to the support likely to be received. The Committee will now give consideration to the desirability of taking further action.
