GUY'S HOSPITAL

It is always a pleasure to welcome Guy's Hospital to Kingsholm. Their presence always gives promise of an open game of Rugby. Theirs is indeed the true Spirit of Rugby.

It is rather unfortunate that our own team has had to undergo a number of forced changes in the past few games. Before the freeze-off it did appear that our players had settled down and were welding into a compact and enterprising unit. Unfortunately trials and county games upset the combination and some players have found it difficult to regain their form. What they need is some really loyal support, which has not yet been forthcoming. Let us hope that to-day they will click and give us a sample of what we all know they can do.
