

## Obituary

Followers of Rugby Football not only in Gloucestershire, but over a wide area, will learn with much regret of the death of Mr. W. G. Wicks who, for a considerable number of years, has given so much in the service of our game both as player and administrator. He was President of this Union from 1955 to 1957, and at the time of his death was a member of the County Executive as a District Representative for Bristol.
