Club News

THIS EVENING we wind up our season against Gloucester who have a most impressive playing record. They have won 19 games, drawn 1, losing 12, scoring 386 points in the process with 256 points against. In view of their first-class Fixture List this is certainly a very great achievement. These results have not taken into account the match they played on Saturday.

We hope they enjoy their game and stay with us and we are looking forward to a most entertaining match.

To-night's game has a slightly sad note, as one of the leading Referees in the West Country is retiring from the game and we, of course, refer to Sid Rowe who is refereeing our match this evening.

Sid Rowe has done a great deal for Rugby Football and is a well known and popular figure all over the country. Sid's first senior game which he refereed was against Gloucester at Exeter and it is most fitting that he should end his career to-night against Gloucester.

Sid Rowe like all the other Referees has done a grand job of work, for after having finished playing the game he decided to put back something into it which gave him so much pleasure whilst playing.

We hope, Sid, that you enjoy your game this evening and 'thanks a lot' for what you have done for Rugby Football. We are sure your interest in the game will still continue.
