NOTES

There are certain matches on our fixture list which are earmarked or mentally noted by those supporters who are not able to attend Kingsholm regularly – games that are marked a "must", when shopping expeditions and jobs about the house have to be cast aside for Rugby Football.

Such an occasion arises this afternoon, when we extend a cordial welcome to Oxford University, who honour us by treating the game with Gloucester as the final and rigorous test prior to the 'Varsity' match.

We like to think that uppermost in our visitors' minds is the overriding thought that if they can beat Gloucester at Kingsholm, then "Cambridge will be no trouble"!

Whatever the result, and the weather, we know that there is bound to be exciting and sparkling rugger with the 'Varsity' as opponents. In turn, we can pay them a tribute; for if Gloucester account for Oxford University the team and supporters are justified in saying they can beat any opponents.

Many members who have applied for stand tickets for the Western Counties v. All Blacks game at Bristol on 17th December, 1963, will have to be offered alternative tickets, the club's allocation for the stand was only 40 – applications numbered 143.

In conclusion, hearty congratulations to Peter Ford, Dick Smith, Terry Hopson, John Bayliss and Mickie Booth on their selection for the Western Counties against the All Blacks.

May we hope this is a stepping stone to higher honours for some of them, if not all.
