OUR VISITORS

If all supporters were asked to give their opinions of the three most attractive visiting teams to Kingsholm, the selections would vary considerably – but there would be few lists which would not include Bristol, our popular visitors today!

Not only do they provide the "local derby" flavour; in addition they bring with them a reputation, long established, of being one of the pioneers of open, constructive rugger, win or lose, though they will be particularly anxious to complete the "double" over their County rivals.

For their part our own lads are keen to avenge that defeat at the Memorial Ground last September by 10 points to 6, and we can be sure of a hard but spectacular tussle today.

Of their 27 matches to date Bristol have won 18 and lost 9, having scored 390 points while conceding 277 – an obvious pointer to their open style of play that usually produces high scoring!

Congratulations to Don Rutherford on retaining his place in the England team for the match against Ireland at Dublin next Saturday. He richly deserves this further honour and our best wishes go with him to Ireland. May he play a "stormer"!
