OUR VISITORS

This afternoon we give a very special welcome to New Brighton, the first of our holiday visitors.

It is two years since we last had the pleasure of watching our North Country friends, though many of us remember their insistence on open play, win or lose.

That they still play constructive and attractive rugger is obvious from their record to date. Of the 36 matches played they have won 17, lost 15, with 4 drawn; but of particular interest is their points aggregate, for they have scored 421 while conceding 336.

We look forward to another entertaining game today, and take this opportunity of wishing our visitors and all our supporters a very happy Easter! A.R.

"RUGBY WORLD"

Many of our supporters and rugger enthusiasts in the city are already regular readers of the popular "Rugby World" magazine. Those who are not will be interested to know that the May issue. now on sale at all newsagents - price 2s. 6d., contains "The Gloucester Story".

This excellent feature on Gloucester R.F.C. is one of the "Famous Clubs" series and is by Tom Voyce. It runs to four pages, is profusely illustrated, and spotlights interesting and amusing facts about the club, our famous ground, and players, past and present.

Also in the May issue is the regular monthly gossip column on rugger in the South-West by our own well-known sports writer, Arthur Russell, who has gleaned the usual items on various clubs in Gloucestershire and the West Country.
