OUR VISITORS

This evening we extend a cordial welcome to Cardiff, who since time immemorial, have always been one of the season's main attractions at Kingsholm. A club that can always guarantee to rouse some of the luke-warm rugger fans in to wending their way to the ground in eager anticipation of watching exhilarating rugger.

Cardiff must surely come with a special mission this evening. Our own supporters still talk of that Saturday last April when Gloucester whipped the famous Welshmen by 23 points to 3. One can almost imagine the look of fierce determination on Cardiff faces as they take the field tonight, intent on erasing memories of that defeat.

Some idea of the remarkable form they have already struck so early in the season can be gathered from their runaway victory over Penarth last Saturday by 41 points to 3. Under the captaincy of second-row forward, Keith Rowlands, they look all set to have another successful season.

Kingsholm Kackle

The lucky programme number prize of £5 at last Saturday's match against Lydney went to: Mr. Smith, 3 Hillview Road, Hucclecote, Gloucester. His winning programme number was 143.

You may like to be reminded of the Cheltenham R.F.C. annual seven-a-side tournament which takes place on the Athletic Ground next Sunday.

It is the most ambitious programme in the history of our neighbouring club, who intend to make every effort to improve it every year. Next Sunday our own lads will be taking part, together with such famous clubs as Bristol, Bath (the holders), Wasps, Liverpool, Moseley, London Irish, Torquay Athletic and many others. The first game kicks off at mid-day.
