CLUB NOTES

Today we extend a warm welcome to our near neighbours Gloucester and look forward to an enjoyable game.

GLOUCESTERS playing record to date is
Played 4 Won 1 Lost 2 Drawn 1

They lost their opening game to Broughton Park by 14 pts to 12, defeated Lydney 11 pts to Nil and drew with Cardiff 3 pts all. On Saturday they lost to Neath at Kingsholm by 8 pts to 3.

This local derby has always attracted a great deal of interest. Recent records show Gloucester to have had the better of these exchanges. The Town however will be out to disprove these records, and providing they maintain the form shown on Saturday when defeating Stroud 21 pts to Nil we can look forward to an interesting game.

Outside Half Jack Thomas is this years captain. A native of Ammanford Carmarthenshire at present working in Bristol, he is a former Cambridge University LX Club player, and joined Cheltenham during the 1963-64 season. He immediately established himself as a regular member of the 1st XV, and was elected Vice Captain for 1964-65 season. Jack should prove to be a good choice as Captain, his position

as Outside Half will enable him to keep a tight hold on the game and apply the tactics required at any given time. He has a good eye for openings and a fine change of pace, this together with his intelligent touch kicking and general approach to the game augurs well for the future. We wish him every success.

Those who attended our Sevens on Sunday 12th September were treated to some good entertainment, the standard of play was extremely high, with Moseley worthy winners of the 'Charles Fisher Trophy'. Thank you for your support.

We would also like to take the opportunity of thanking everyone who worked so hard to make this such a success.

LUCKY PROGRAMME

Draw for the lucky programme number will be held at half time.

Our next fixture is on Saturday 18th September when the 1st XV will entertain ESHER.
