CLUB NOTES

Our opponents this afternoon are the famous West Country Club, Gloucester. The Clubs first met in the 1898-99 season, and with the exception of the war years have met regularly ever since. The last match played was in March 1964 when the Saints lost 3 pts. to 6 pts. We hope that Andy Hancock and John Ebsworth will soon recover from their injuries.

A floodlit match has been arranged on the British Timken ground at Duston on Thursday, 24th March against Leicester, kick-off 7.30 p.m. Vice-Presidents and members will have to show their tickets to get on the SMALL STAND, first come, first served. Usual prices for admission to the ground.
