## Club Notes and News

WE are delighted to welcome Gloucester, always one of the strongest sides in the West Country, two of their players, J. T. Hopson and R. Smith played a big part in Western Counties victory over The Australians Touring side last Saturday, in fact it was Smith who completely subdued P. F. Hawthorne "the drop goal king".

Andy Hurst returns to our team this afternoon, otherwise it is the same as the one that played in the somewhat one sided contest last Saturday. We must congratulate Colin Dutson on his fine display for Surrey in the play off against Middlesex on Wednesday last, at the same time commiserating with Tony Miles and Hamish Keith who were on the losing side.

### Win a Mini Minor Competition
