## OUR VISITORS

This afternoon we extend a very hearty welcome to our friends from New Brighton, whom we only have the pleasure of seeing at Kingsholm every alternative season.

## KINGSHOLM KACKLE

When we last met New Brighton at Kingsholm, on Saturday, April 17th, 1965, Gloucester won a fast, open game by 25 points to 5. Dick Smith (2), Ron Pitt, Dave Owen and Colin Teague scored Gloucester's tries, David Ainge making two conversions, kicking a penalty goal and adding a dropped goal.

Today's game is a very special one for the New Brighton hooker, Ian Hart. He is due to play at Kingsholm this afternoon – his 500th game for his club !

Ian, who has been referred to by referees as one of the fairest and cleanest players in the game, is a Barbarian, and has played more that 50 times for Cheshire.

This is indeed a wonderful record and we add our heartiest congratulations to Ian on this outstanding achievement.

There will be a grand Easter dance this evening in the Social Club for Members and lady guests only. It should be noted, however, that the doors will be closed at 9-30 p.m., as our dances are becoming extremely popular.

---

There is a special notice for the Bingo enthusiasts, too. There will be no Bingo on Monday, but the weekly session will be held instead on next Wednesday evening – same time, 8 p.m. But this change of evening is for next week only ; it will then revert to the usual Monday evening.
