NOTES

It is my pleasure to welcome to Warwickshire the Gloucestershire team, officials and supporters.

Gloucestershire, having played most of their games in recent weeks, have had convincing victories on their way to this County Championship Semi-Final. On Saturday last they defeated Oxfordshire by 18 points to 3 points in the Quarter Final.

Warwickshire have been without a County Match since we clinched the Midland Group title on December 6th. Despite our long wait, interest has been maintained, and our players and officers have retained their intense keenness for County honours.

A great game is expected to-day. Warwickshire, I know, will play their part and, quite naturally, I wish them success.

To our many friends in the stands, on the terraces, and on the banks, I would like to say a very sincere thank you for your patience and loyal support.

FRANK W. HARRIS,

President, Warwickshire R.F.U.
