CLUB NOTES

The 1st XV have now completed the trio of games against strong Welsh opposition which seems to characterise the opening of our Season, and have emerged with great credit. Last season we lost all three, but this year we beat Newport and Swansea. Triumph over Cardiff continues to elude us but no doubt one day our efforts will be rewarded.

Today we welcome Gloucester, our friends and rivals from the north of the County, and we shall hope to repeat our double of last season but perhaps by a less breathtaking margin. We won by 12 points to 11 at Kingsholm and by 6 points to 5 here. We give Gloucester a hearty welcome and hope they enjoy their visit.

We are sorry that Skipper Bill Redwood's injury continues to give trouble and are unable to say with any certainty when he will be back. We have been well served by his deputies, especially by his vice-captain, but look forward to seeing him back on the field again.

There is a players' dance in the clubhouse tonight and tickets can be obtained from the bar. Future dance dates are October 12th, November 9th and 23rd, and December 7th and 26th. Make a note and come along and have a pleasant evening.

Don't forget the Cheltenham game here next Wednesday, kick-off 7.30 p.m., and also the £5 programme prize announcement at half-time. The winner at the Swansea game was M. Hall, 11 Hughenden Road, Horfield.
