### CLUB NOTES

For our first home game of the season we welcome to the Athletic Ground this evening our near neighbours Gloucester. This is always a keenly contested fixture and tonight's game should be no exception.

Gloucester started the season with a run-away victory over the American touring side Philadelphia. Since then they have suffered defeat at the hands of Cardiff and Broughton Park.

The Town also had a very easy victory in their pre-season run out at Tewkesbury, a game which was staged to celebrate the opening of Tewkesbury's new sports ground.

On Saturday we visited Weston-super-Mare, and after a promising start in which the Town scored 8 pts in the first 20 minutes, they failed to press home their advantage and victory was snatched from their grasp in the closing stages of the game, when Weston, all against the run of play, scored 8 pts in the last 10 minutes of the game.

We are looking for a better result tonight.
