Creating your own Gloucester Rugby Heritage Website

Activity title:	Website Design
Curriculum area:	IT - Pupils combine and refine different forms of information from various sources Level 4
NC objectives:	1.1 1.2 1.3 2.2 2.3 3 4
Main learning objective	Setting page properties and designing a logo

Timing	Lesson plan ideas, activities and resource sheets
INTRODUCTION 15 minutes	• Use walkthrough 7.4a • Demonstrate how to set the page properties (text colour, text style, background colour) • Demonstrate online logo design
MAIN ACTIVITY 30 minutes	• Set page properties for each page • Design a logo on www.cooltext.com and download to images folder • Import logo into the webpages. (See the Dreamweaver guide for more information)
PLENARY 5 minutes	• Question and answer highlighting skills used so far on website.

Suggested extension activities or cross curricular links:

• Logos could also be designed in other graphical packages such as Fireworks, or Paint Shop Pro and then imported into the images folder.
