Club News

Today sees the last game for the 1st XV on the County Ground this Season. We should like to thank Andy Cole and his players for providing some first class Rugby.

This evening we welcome Gloucester, who are touring the West Country and we hope they have enjoyed their tour so far.

Gloucester are a very powerful side and their playing record excluding the game against Redruth last night is:—

won 29, drawn 1, lost 24, scoring 730 points in the process with 580 against.

One must also remember that Gloucester have one of the strongest fixture lists in the Country. We look forward to a pleasant game of Rugby this evening and we hope Gloucester enjoy their game and stay with us.
