CLUB NOTES

Last Saturday we voiced the hope that our opponents might be made to fight back, as we have had to do on a couple of occasions. Hope was fulfilled. In a grand game Swansea were forced on the defensive right from the start, and although they drew back from 17-3 down to 17-11, we ran out well-deserving winners of a most entertaining match.

Which gives us encouragement for today's game. Welcome to Gloucester, very close rivals in the county, and who are enjoying a good start to the Season. We can count on a keen and entertaining game.

Once again we have to congratulate John Pullin, who has been selected for the England and Wales side to meet Scotland and Ireland on 3rd October.

Ground and Enclosure tickets for the Western Counties v. Fijians game at Kingsholm, Gloucester, on 10th October 1970, are available in the Social Club, or from Mr. Clark the Groundsman. A limited number of Stand tickets is available from the Hon. General Secretary. Please apply soon.

We much regret that the extensions to the Clubhouse have not yet been completed. The Club has had no control over the delay, and we do apologise for the inconvenience in the inner car park. We have been promised that completion is not far away.

The winning programme number will be announced at half-time. The winner at the Swansea game was Mr. G. C. Chick, 41, Charborough Road, Filton.
