CLUB NOTES

A SINCERE welcome to our Gloucester friends for this evening's second encounter of the season. We lost at Kingsholm in October 13—6. They are captained by Mike Nicholls their experienced and most likeable hooker and are enjoying a most successful season. They also include in their ranks stalwart Mickie Booth, goalkicker Eric Stephens and long serving second row forward Alan Brinn.

Denzil Williams and Arthur Lewis more than played their parts in Saturday's Triple Crown victory over Ireland and should have enhanced their claims for selection with this year's British Lions.

Royston Williams plays his first game with the First Team this evening. Royston has been given the opportunity as a result of continued improvement in the Athletic side. He is in his first season in senior football and could do well.

Our Youth side are having a good season and on Saturday they defeated Blackwood Youth 18—0 to put them in the Final of the North Mon. Youth Cup. Clive Morgan, a former Athletic hooker, is the Coach and he receives able support from Emrys Bounds, George Maund, John Regan and Terry Cameron. The majority of the players have at least one more season in Youth football. Amongst those who will come into the senior ranks next year are David Rees, a most promising outside half, second row forward Alan Deans and hooker and captain A. Murphy.

COLLEGE-TYPE SCARVES are available priced £1.80. Place your order with any member of the Supporters' Committee.
