### COACH'S NOTES

AS USUAL it is a very great pleasure to welcome my old club the Red and Whites especially with a representative from the Duchy in their ranks in the shape of Tommy Palmer at fly half and that ageless gnome and reader of the game Mickey Booth as his partner. That prolific points scorer Eric Stephens is there on the wing—what does it matter what position you play a man who has already passed the 300 points personally this season! With try scoring Clunes on the wing bulldozing Bayliss in the centre, and the immaculate Etheridge at the back, the full Gloucester scoring machine is there for a match which should they win, will set a record breaking season for the famous Gloucester club.

In front, led by Mike Nicholls, there is one of the strongest packs in this country one that even Cardiff fear and one which laid the foundations for a 15 points-6 points victory over the Welsh club a few weeks ago.

The PIRATES after their encouraging first half display against Cardiff when we led 6 points-3 points for a period of twenty minutes, the fine win over King Alfred's College and the thrilling match v. Tredegar, only lost in the closing minutes, field a good side.

Malcolm Nicholls moves out to the wing to let in Micky James whose role is to stop John Bayliss. With Jan Skewes and Steve Tomlin out for the remainder of the season, 'Stack' Stevens and Alfie Fowler prop. Chris Thomas is saved for Monday's final game v. Redruth; so John Kimberley gets his last game before returning to College. John White adds his tremendous mobility to the back row.

### SEVEN-A-SIDES

Preparations are in hand, under the direction of Gerald Luke and Roger Pascoe, a squad has been selected and special training begun. The competition is being held at PENRYN on MAY 1st.

### MOUNT'S BAY COLTS

With Jim Mathews as coach, the standard of play is improving and as almost all this very young side will be available next season, we should see some good results in 1972.

This club sportingly likes to pay its own way and be independent financially from the Parent Club. To give their finances a boost we are holding a collection for them at half-time and hope you will contribute as generously as you can. *Remember* These are the Pirates of tomorrow!

### CLUB DINNER AND DANCE

This is being held at the Land's End Hotel again (so successful was the previous event) on FRIDAY 7th MAY. Tickets (£1), available from the Hon. Treasurer or put your name on the list in the Club House. Transport is available if needed.
