Know Your Player's —

JOHN PUTT . Age 24 . Fly Half . Educated Devonport High School . Engineering Firm Director . Played for Devon under 15 . Learnt a lot of his football with our Junior XV . Had a very serious injury whilst playing for the Juniors, ruptured spleen, which kept him out of rugby for nearly two seasons and no doubt lost him his Devon Colts selection . Has been in and out of the 1st XV this season and has yet to show the form he displayed with the Juniors, in senior Rugby.
