Programme Notes

The GLAMORGAN COUNTY R.F.C. takes pleasure in extending a welcome to the GLOUCESTER Rugby Football Union on this, their first visit to Penygraig.

Past encounters between the two counties have provided football of a very high standard and one can rest assured that tonight's encounter will be in the same mould.

As the losing finalists of last season's English Counties Championship, Gloucester are no doubt, by the strength of their selected side, preparing for a successful encounter in this season's final. The Glamorgan side too, is a strong one and provided weather conditions are favourable, one can expect "a feast of football."

We also take pleasure in welcoming our Referee for this match in the person of Mr. J. DUNBAR, the Chairman of the Canadian Referees Society and also members of the Canadian Touring Party. Mr. Dunbar who is here to study our approach to refereeing has officiated in a number of matches in Canada including touring sides, including the Lions, and we wish him well.

In conclusion, the Glamorgan County R.F.C. wish to extend their sincere thanks to the Penygraig R.F.C. for placing the facilities of Graig Park and their Clubhouse at their disposal for tonight's match.

GLYN R. HOPKIN,
Hon. Secretary.
