NOTES

I would like to take this opportunity of thanking the supporters of the Lydney R.F.C. not only for coming today, but throughout the past. This game celebrates the opening of our new headquarters which has already been warmly received by many visitors. The cost of the structure has been made possible by you, the entertainments committee, the players, vice-presidents, Mr John Watts, Lydney's benefactor, and the Rugby Union. It is the Club's wish that sports people of all ages and both sexes will now use these ideal quarters.

Thanks also to the County President, Mr Bill Ryland, for so willingly bringing a strong team to commemorate the occasion. It is hoped that the game will give you all enjoyment and afford the County selectors an opportunity to pick a strong side for the County Championship. Like other clubs, we in Lydney feel we have players capable of holding a place in the proud County XV. Today players on both sides will have a grand opportunity to remind the selectors of their prowess.

We are delighted that Mrs John Watts has agreed to formally open the club house. Her presence will point out to all the other ladies in the town that they are an essential part of the venture and always welcome in the Club.

E. J. PARFITT,
Chairman, Lydney R.F.C.
