### CLUB NOTES

We are very pleased to welcome the Gloucester R.F.C. to Goldington Road. They are one of the oldest clubs in the West Country and will very soon be celebrating their centenary as they were founded in 1873.

Their first game was played on a site which is now covered by their well known ground at Kingsholm. Later they moved to new headquarters called the Spa Ground but in Season 1890/91 returned to Kingsholm where they purchased the land. Our visitors must be the only senior English Club of long standing who play on the land where their Club started.
