CLUB NOTES

Today we extend a very warm welcome to Gloucester who, by virtue of their win over Coventry, are prepared to maintain to the death that they, and not the Midlanders, are the top club in the country! We shall not take sides, but content ourselves with the statement that Gloucester came here with only one defeat. A very sound record indeed, on which we congratulate them.

During the last three matches we have at least broken our run of defeats—a state of affairs which we hope to have kept the same by this evening.

Of especial interest to all of us—players and spectators alike—is the appearance of a more than ordinarily neutral referee in the person of M. Domecq of France. Periodically the Rugby Union allocates such referees who are on the fringe of the international panel to officiate at certain matches. Bien venu, M. l'arbitre, et bonne chance.

The National Knock-out Competition gets under way for us when we play against Notts. at Beeston on Sunday, 21st November, k.o. 2.30 p.m. Admission will be by programme purchased outside the ground and priced 10p.

While on the subject of Knock-outs, tomorrow (Sunday) afternoon on this ground at 2.30 we have the Final of the County Knock-out Competition in which Wigston O.B. and Hinckley take part. Admission will be by pre-purchased programme, price 10p, and entrance will be from the Crumbie Stand side of the ground only. Programme will be on sale in the Clubhouse after this afternoon's match and from 1.30 onwards outside the ground tomorrow.
